

July 22, 2020

I hope this message finds each of you and your families healthy and safe. As we all are aware, the pandemic of COVID 19 is still ongoing with many disruptions in both our personal lives as well as our business lives. With the struggling Oil and Gas Industry and many uncertainties surrounding the limiting of activities, opening of schools, governmental decisions, the Board of Directors at CBT Charity, Inc. feels it is in the best interest of each of you and your families to cancel the Bass Tournament for 2020. The BOD does not want anyone to take any chances on spreading this virus to you or your family.

We appreciate all of our sponsors, all the fishermen and participants, all of the volunteers that supported CBT Charity throughout the past years. Without each and everyone of you it would not have been possible to experience the success we have enjoyed. Thanks for everything you have done and I hope you will understand our decision to not go forward with the Bass Tournament this year.

Sincerely,

Mark Mabe
